
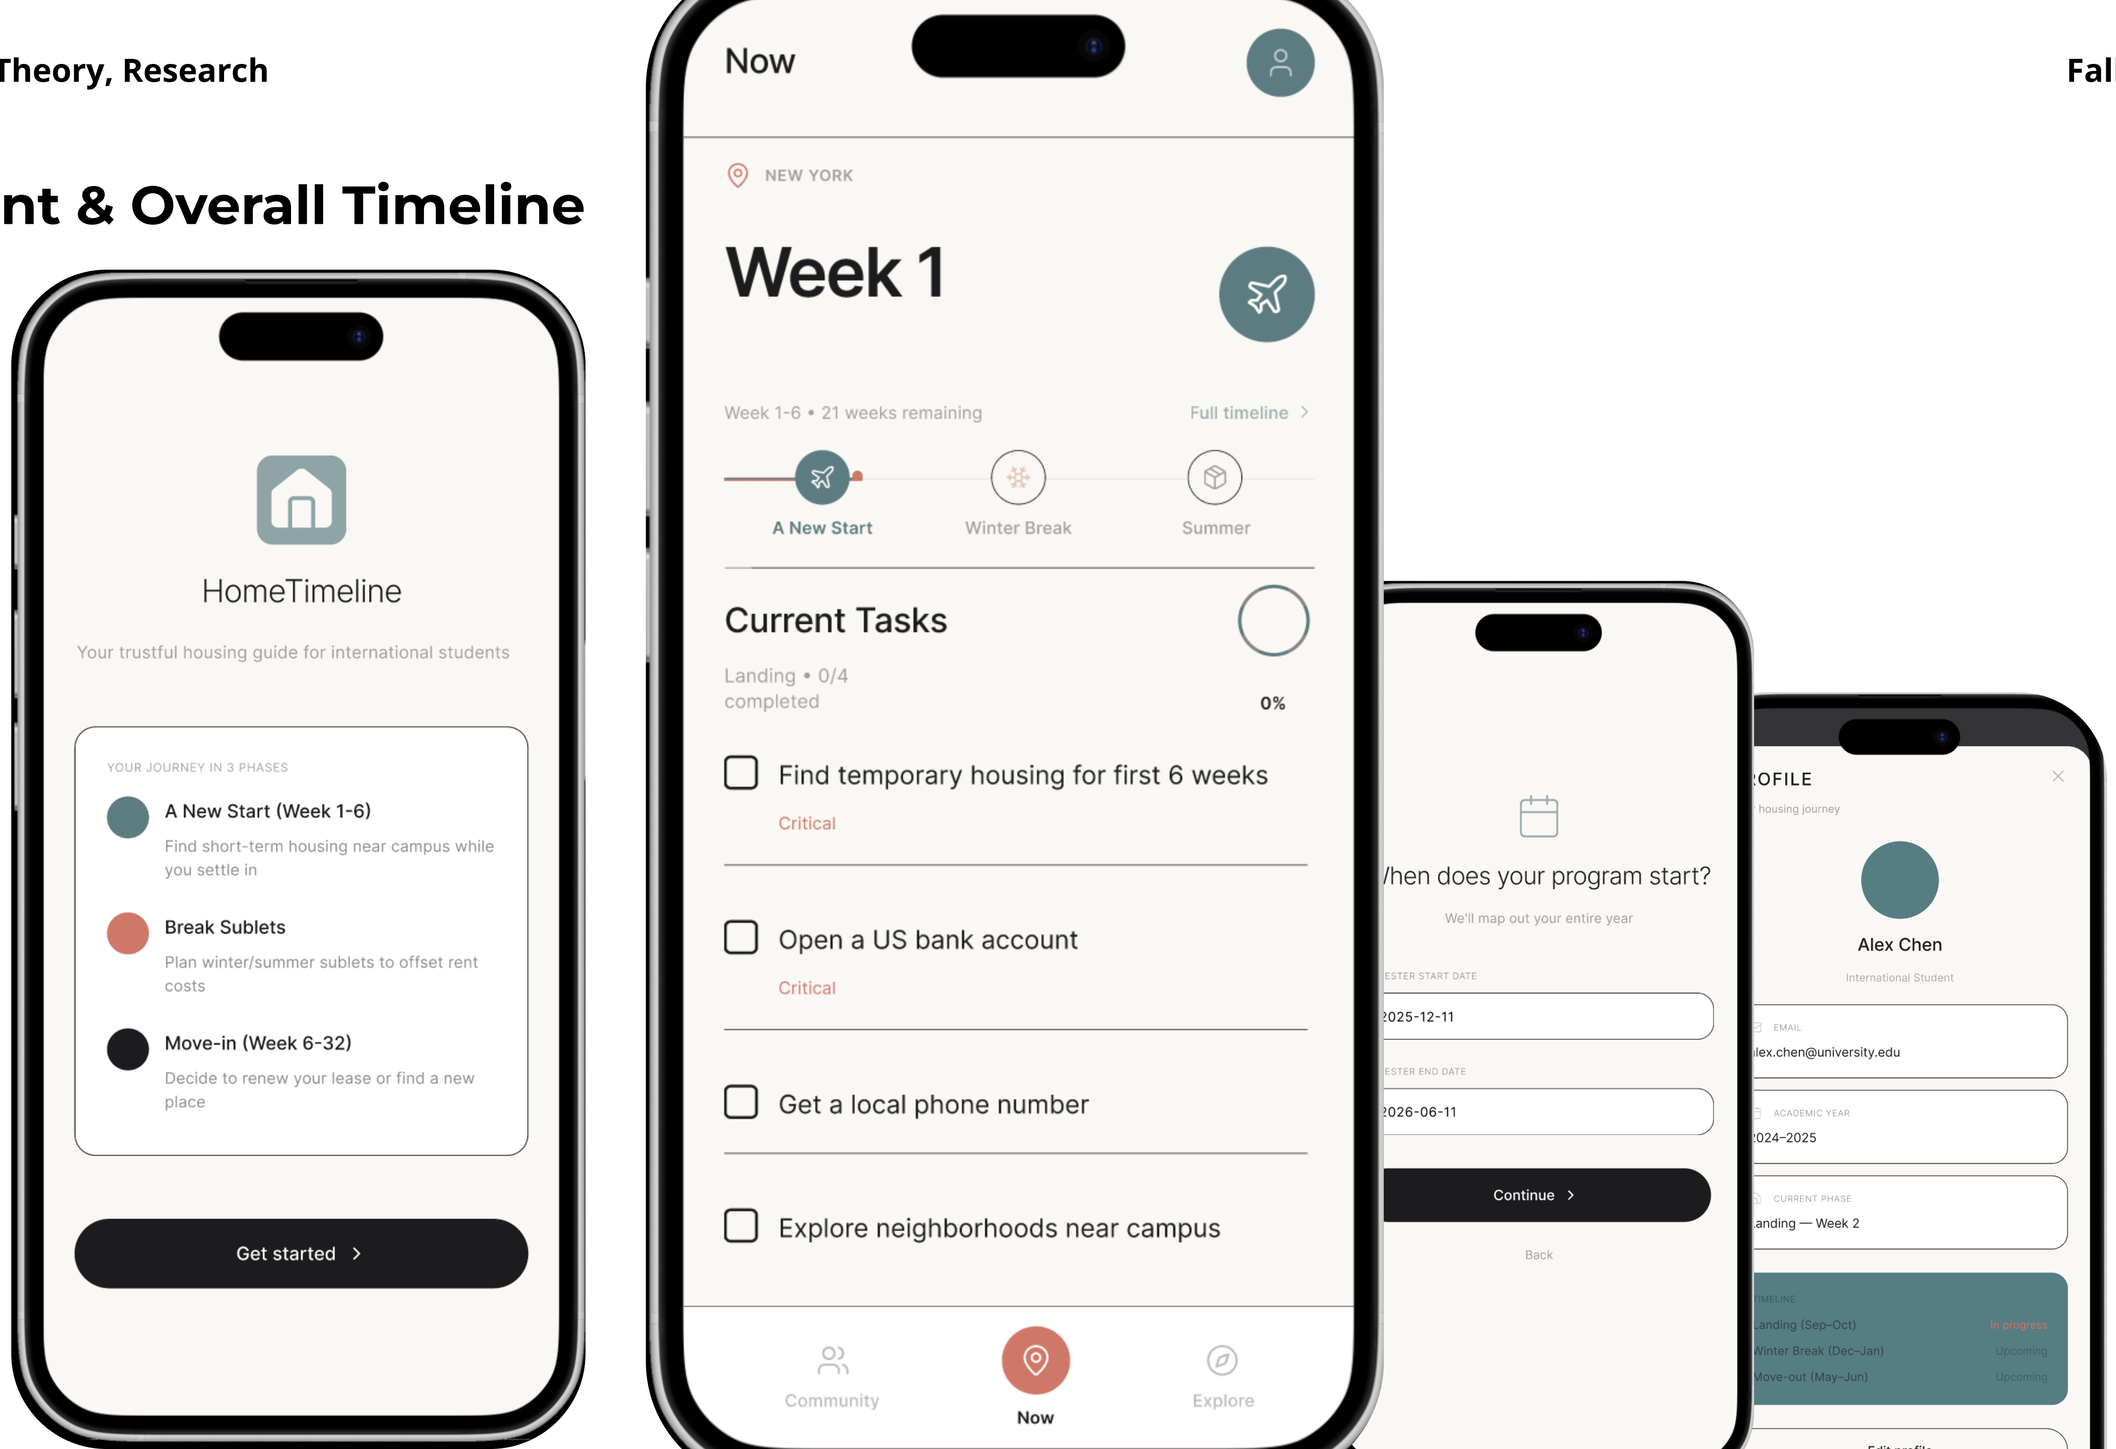
Students wanted **context**, not just a snapshot → Many questions were about when to decide, **not only** how much to pay.

Support across the **whole academic year**:

landing, move-in, winter/summer breaks

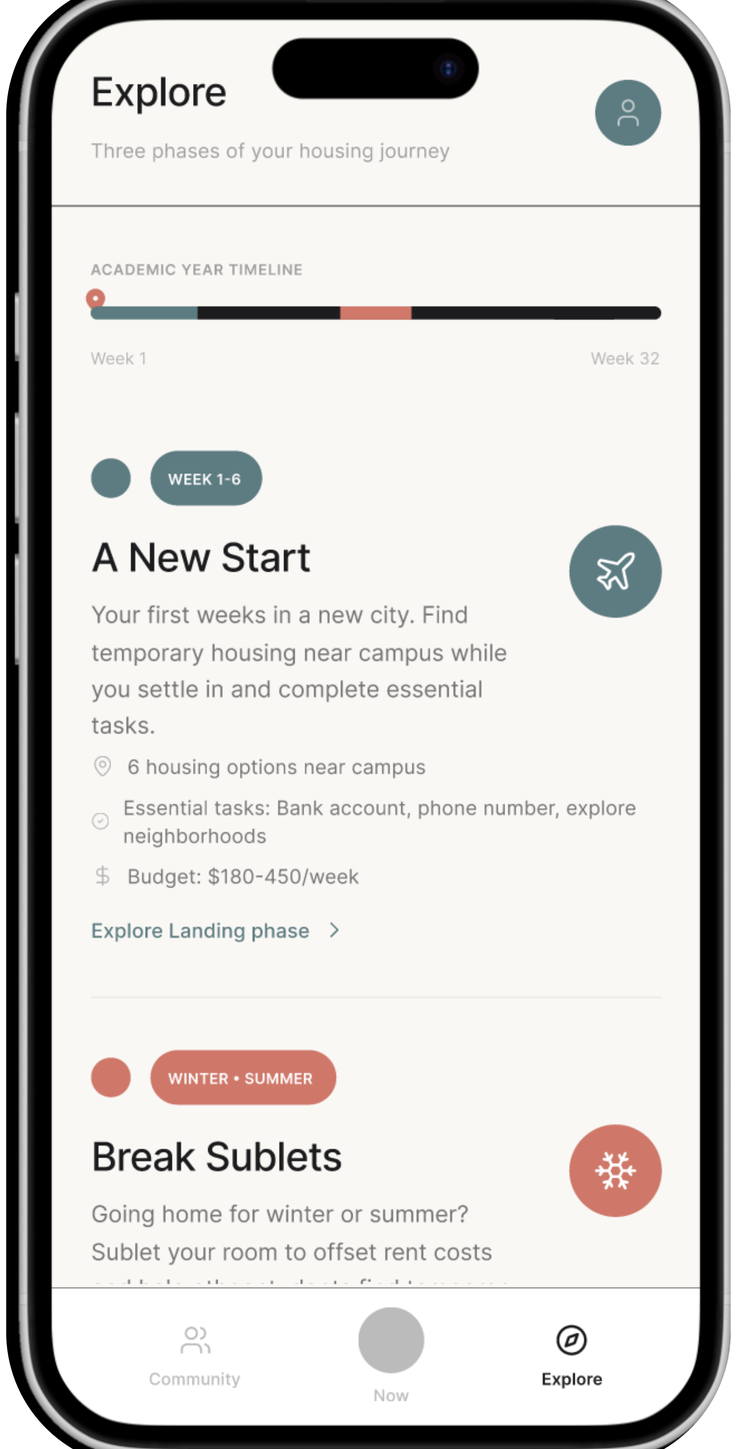
These insights led me from isolated tools (calculator, passport) to a timeline-based tool.

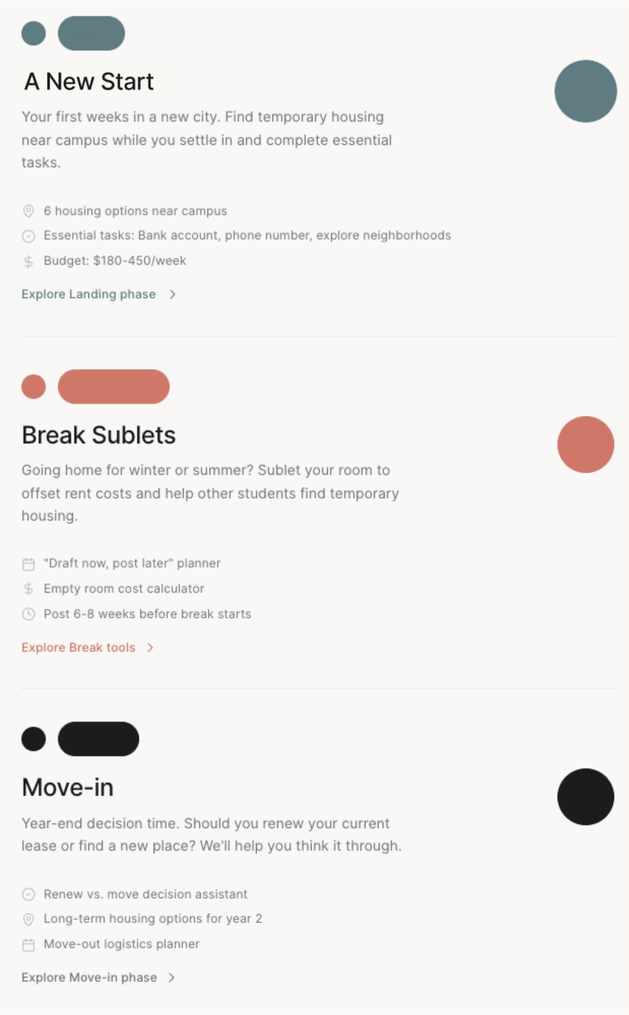
Account & Overall Timeline



Explore Section

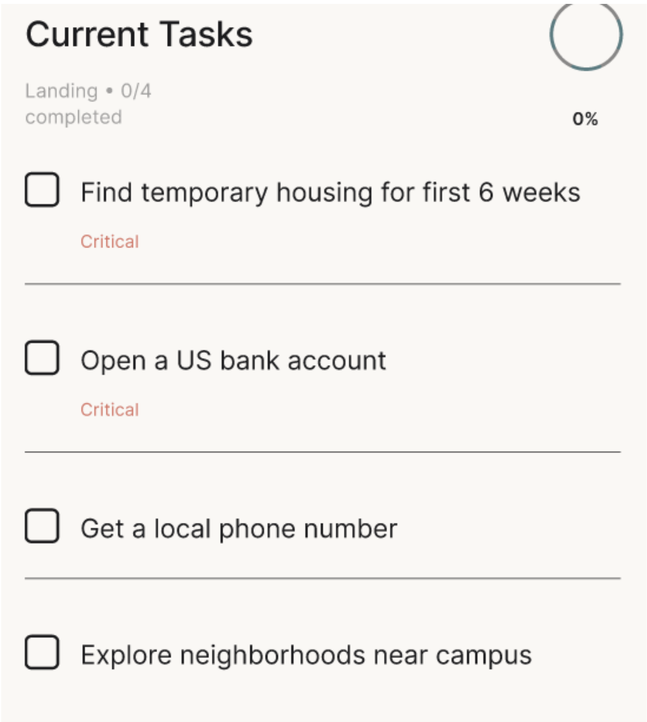
- Browse housing phases, resources, and tools at your own pace

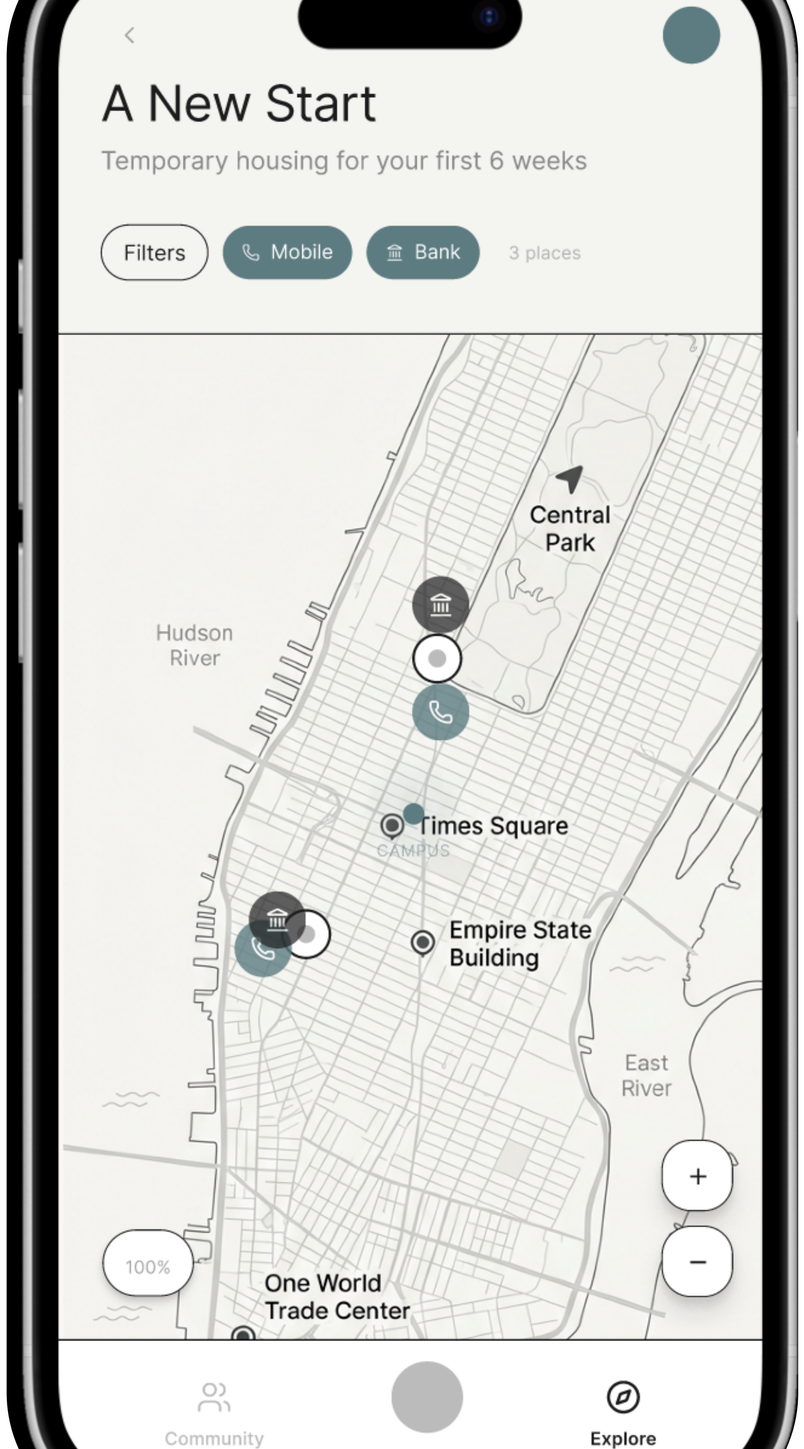


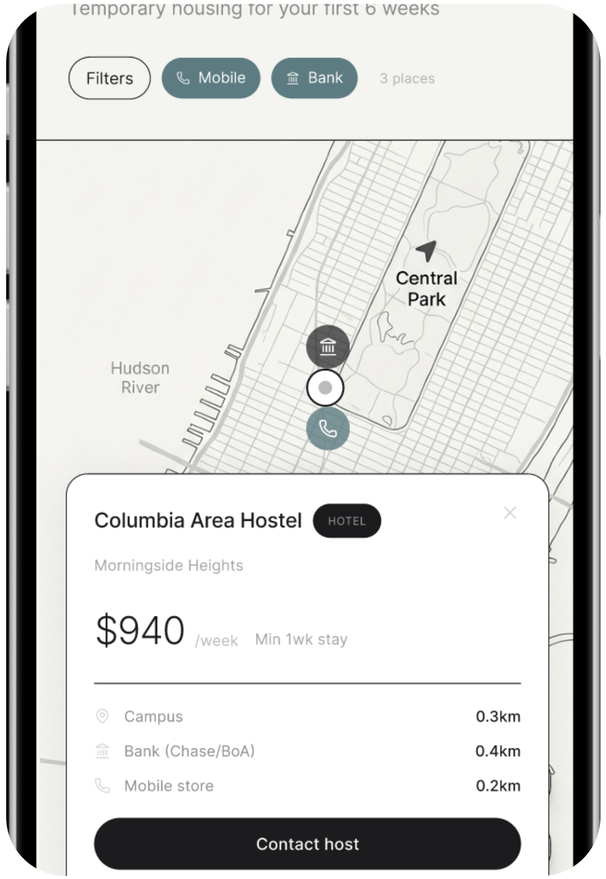


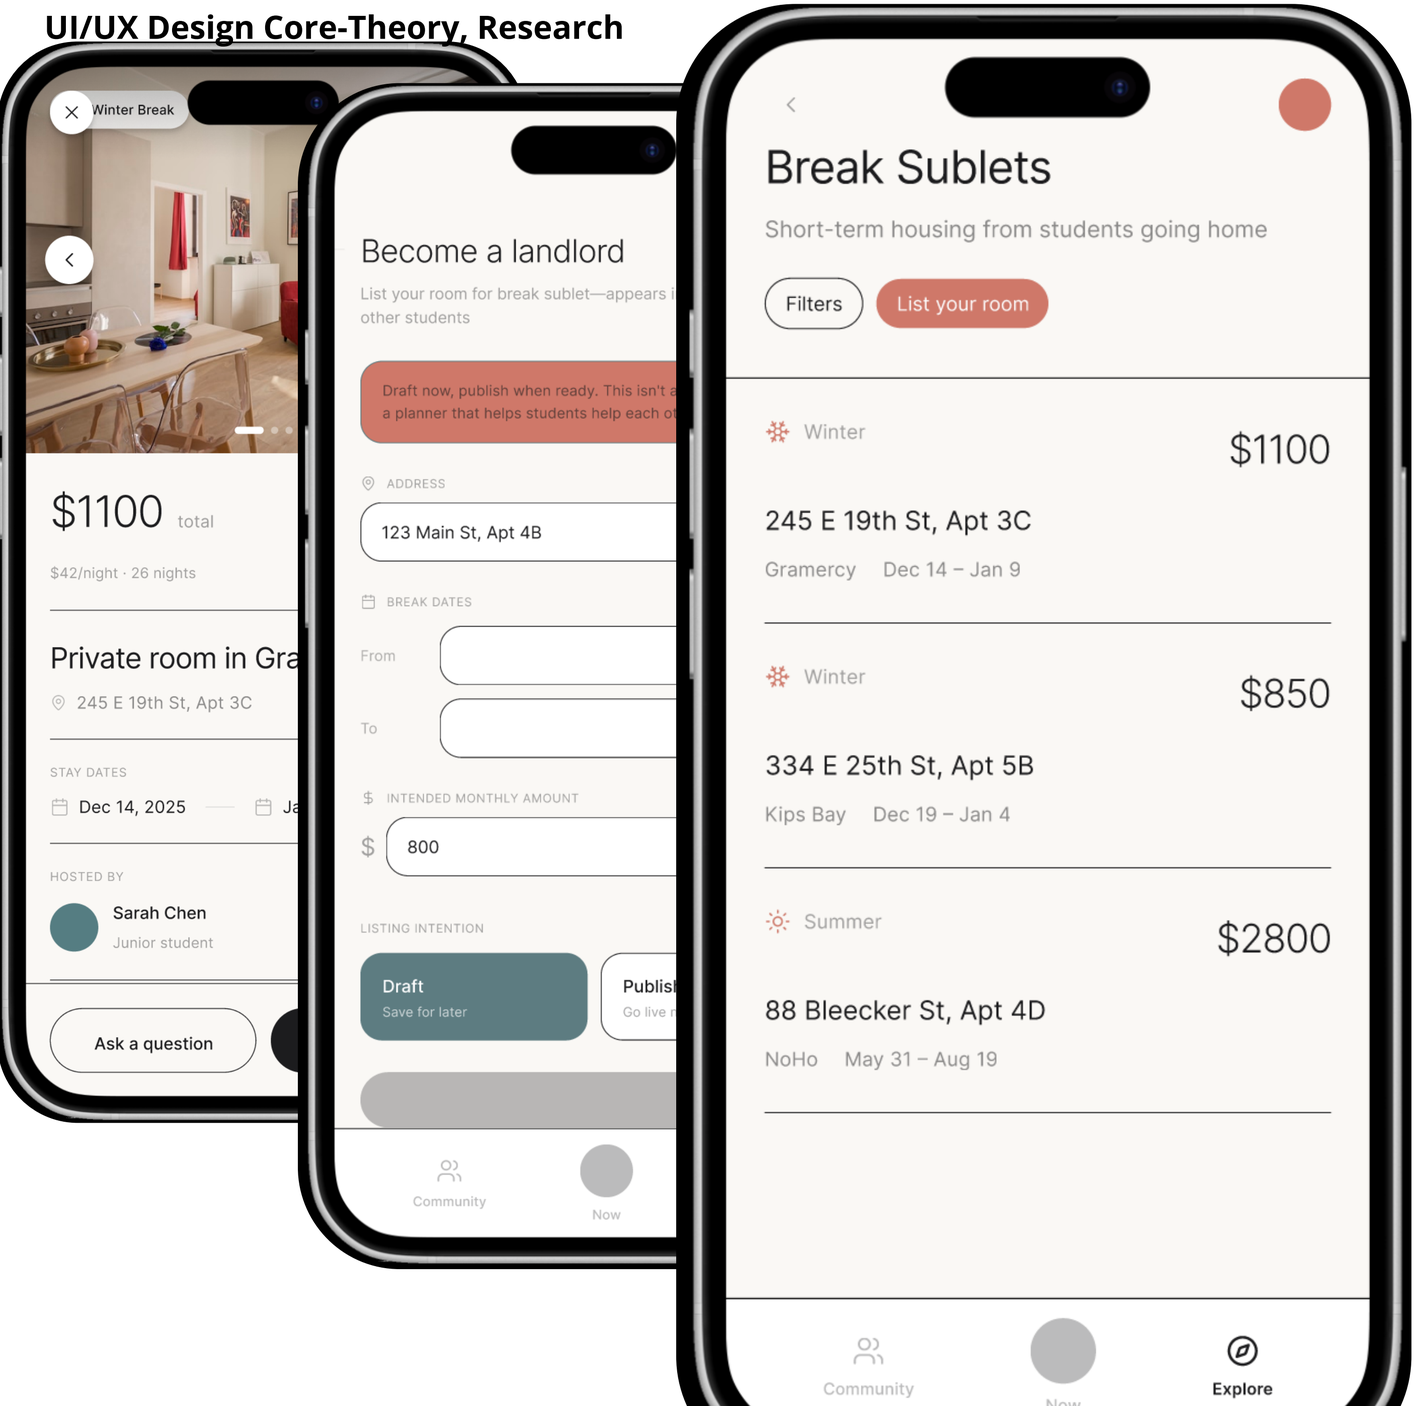
A New Start Section

- 0–6 weeks, short-term stays, city filters, mobile/bank services, distance map.



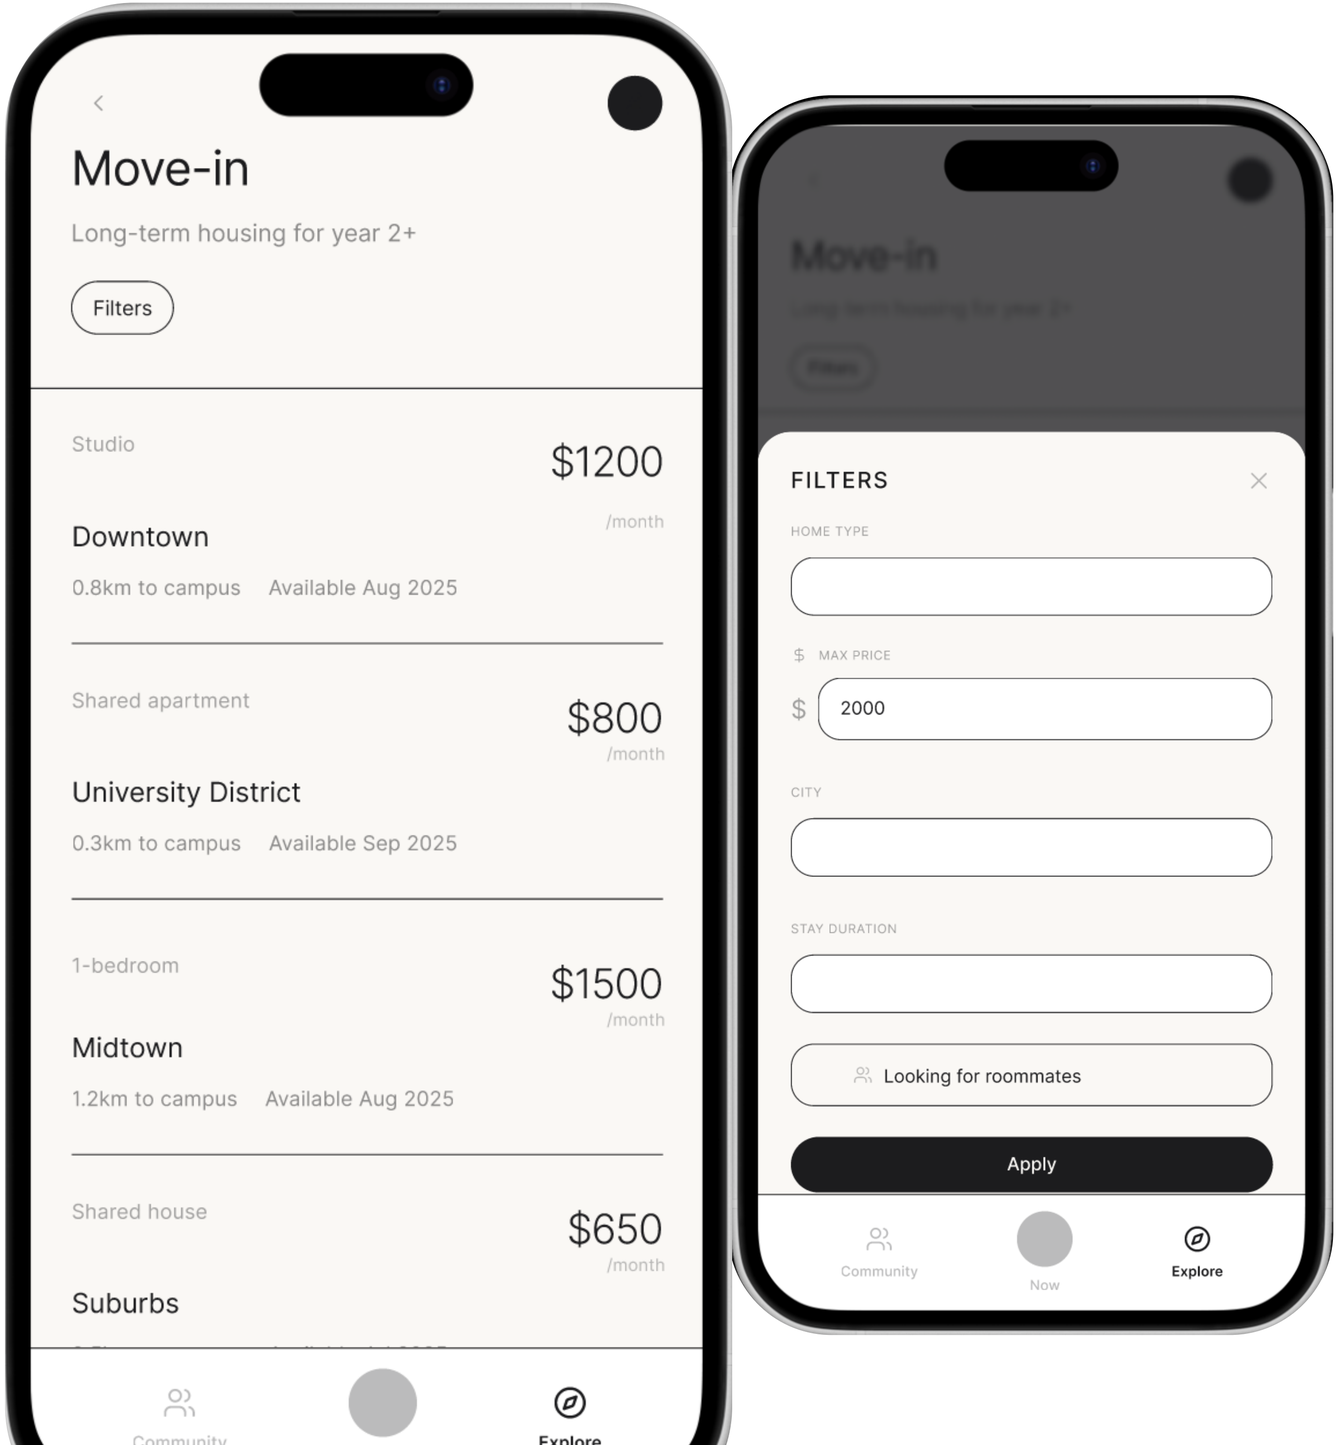






Break Sublet Timeline

- Plan sublets, choose address, dates, amount, draft-now-publish-later, 'empty-room cost' estimation, listings in Landing.

Move-in Timeline


- Filters for home type, price, city, stay duration, roommates needed, tasks for notifying landlord, packing, deposit checklist.
- Combined Story: Integrates roommate tool and timeline coach for a comprehensive housing solution.
